## **PRESS RELEASE**

### **MEASAT Awarded “Malaysia’s Best Employer” for Second Year**

**KUALA LUMPUR, 13 November 2015** – MEASAT Satellite Systems Sdn. Bhd. (“MEASAT”) announced today that the company had been recognized by HR Asia Magazine as one of “Malaysia’s Best Employers, 2015”. This is the second year in a row that the company had received the award.

“It’s a great honour to be recognized by HR Asia Magazine for a second year running,” said Paul Brown-Kenyon, Chief Executive Officer, MEASAT. “The award recognizes the significant effort undertaken to create an outstanding work environment which can attract and develop some of the brightest talent, helping MEASAT maintain regional leadership in a fast-moving, high tech sector.”

The HR Asia Magazine award is decided by a Selection Committee comprising an independent panel of industry experts based on the HR Asia Employee Input Survey Report and the HR Asia Workplace and Employee Engagement Survey.

#### **About MEASAT**

The MEASAT group is a premium supplier of services to leading broadcasters, Direct-To-Home (DTH) platforms and telecom operators. With capacity across six (6) communication satellites, MEASAT provides satellite services to over 150 countries representing 80% of the world’s population across Asia, Middle East, Africa, Europe and Australia.

The MEASAT satellite fleet includes the state-of-the-art MEASAT-3, MEASAT-3a and MEASAT-3b satellites co-located at 91.5°E, supporting Asia’s premium DTH and video distribution neighborhood; MEASAT-2 at 148.0°E; and, MEASAT-5 at 119.5°E. In Africa, the AFRICASAT-1a satellite at 46.0°E provides satellite capacity across the African continent with connectivity to Europe, the Middle East and South East Asia. The MEASAT fleet will be further strengthened end 2017 / early 2018 with the addition of MEASAT-2a at 148.0°E.

Working with a select group of world-class partners, MEASAT also provides a complete range of broadcast and telecommunications solutions. Services include UHD/HD and SD video play-out, video turnaround, co-location, uplinking, broadband and IP termination services.
