ABU ROBOCON 2010 CAIRO-EGYPT
<http://www.roboconegypt2010.com/>

No. 145 Date of Issue: 24 May 2010

Lac Hong University represents Vietnam

The new champion Lac Hog University

The ABU ROBOCON VIETNAM 2010 was held at the Daklak Sport Complex in the central highland from 10-16 May.

It was contested by 34 teams which went through tough regional contests held in Hanoi, Da Nang and Ho Chi Minh in April, participated by about 250 teams.

In the six-day contest, 5 teams successfully achieved "Robo-Pharaohs" for 6 times.

Finally, 'LH-LED' team from Lac Hong University (LHU) won the champion for the first time. They will represent Vietnam at the ABU ROBOCON 2010 CAIRO this September.

The university is in Bien Hoa, the largest city of Dong Nai Province, located in the 30km east and northeast of Ho Chi Minh City.

The 1st runner-up was 'VOI 03' team from Hanoi University of Industry and two 2nd runner-ups were 'LH-BEE', another team from Lac Hong University and 'NAT-PRO' from Hung Yen Educational and Technical University.

Audience holds breath for the final moment
