Higher Technological Institute (HTI) Tenth of Ramadan City Represents Egypt at the ABU ROBOCON 2010 CAIRO EGYPT

Since the start of the ABU Robocon project in Egypt in 2002, HTI has always been a key player in the competition. Among our few participation in the past ABU ROBOCON, the most remarkable was in 2008, ABU ROBOCON Pune-India when HTI team achieved the 1st runner-up.

For the third years in a row, HTI won the 1st and 2nd place at the domestic contest held at the Cairo International Stadium Complex, Hall 2 on 19 July 2010. This particular year, for the hosting status, HTI will represent Egypt with two teams namely El Sedeek and AL Farouk.

The members of the two teams are eager to win the champion title in the land of the Pharaohs.

El Sedeek team: Mostafa Saeed, Mostafa Ibrahim, Islam Mostafa, Loay El-hawary, Sherif Essam, Atta Ali, Ahmed Gehad, and Mohamed Ashraf. Instructor: Eng. Mahmoud Matbouly.

Al Farouk team: Khalid Abd-elmoaty, Ahmed Magdy, Mahmoud Shalkama, Ismaeil Ali, Mohamed Ismaeil, Mohamed Saber, Mohamed el-metwally, Andrew Akram. Instructor: Eng. Mohamed Salah.

Staff Supervisors: Professor Yehia Hendawy & Dr. Jean Maher
