

## 2<sup>ND</sup> ABU Media Summit on Climate Change & Disaster Risk Reduction

### Maritime Park and Spa Resort Krabi, Thailand

**10-15 May** **ABU-FAO Regional Workshop for Asian TV and Radio Journalists**  
This is a practical, hands-on workshop for radio and TV reporters, editors and producers. It will train them how to cover food security with focus on climate change and gender issues. The participants will have a field visit to Krabi Fishery Research and Development Center and will produce news and short documentary features. They will be also able to participate in the Summit on 12 and 13 May 2016. Registration for this workshop is on a 'first come, first served' basis.

**11 May** **Final Judging for the ABU TV Awards on Climate Change and DRR**

**12-13 May** **Conference**

**Day 1**
