

RULES FOR ABU AWARDS ON CLIMATE CHANGE AND DISASTER RISK REDUCTION

This ABU competition aims to inspire content producers across the Asia-Pacific region and beyond to cover the two most critical issues for the future of mankind – climate change and disasters. The Awards honour innovative and creative Radio and TV Programmes, which inform and educate audiences about best practices in climate change adaptation and disaster preparedness. The competition is run annually and is attached to the ABU's Media Summit on Climate Change and Disaster Risk Reduction.

Judging

A three-member jury for the Radio categories and a three-member jury for the TV category will select the winners in 4 categories and 2 special awards.

Awards Categories:

1. Best Radio Feature on Climate Change
2. Best TV Feature on Climate Change
3. Best Radio Feature on Disaster Preparedness and DRR
4. Best TV Feature on Disaster Preparedness and DRR

Special Awards:

- Best Human Story
- Most Promising Young Producer

Entry Guidelines:

1. The ABU's Climate Change and DRR competition is open to factual, drama and animation features from around the world, submitted by ABU members and non-members.
