

**A20 HFCC GLOBAL COORDINATION CONFERENCE,
24-28 FEBRUARY 2020, KUALA LUMPUR, MALAYSIA**

We are happy to inform you that the A20 Global Coordination Conference will be held in Kuala Lumpur, Malaysia from 24 to 28 February 2020. Participants of high frequency coordination groups, representing around 90% of the shortwave frequencies used for broadcasting in the world, will take part in this conference to coordinate shortwave frequency schedules for the A-20 (summer) season.

INVITATION

The A20 Global Coordination Conference is organized jointly by the High Frequency Coordination Conference (HFCC), the Asia-Pacific Broadcasting Union (ABU), the Arab States Broadcasting union (ASBU) and hosted by the Asia-Pacific Broadcasting Union (ABU). We are delighted to invite you and your organisation to participate in this conference. Please see attached invitation letter.

REGISTRATION AND HOTEL RESERVATION

Please register online using the Conference webpage link <http://hfcc.org/A20/>
Please make reservation of your hotel room directly with the hotel using the hotel reservation form on the conference webpage. Hotel reservation is open now.

Kindly note that a conference package fee of USD 180 (or MYR 725) per person, payable to the ABU, and a conference fee of USD 120 (or 110 euros) per person, payable to the HFCC, will be charged. All expenses on travel and stay of the delegates are to be paid by you and your organization.

WHY YOU SHOULD ATTEND

As you are aware, the frequency channel situation for shortwave radio is always changing because of the 11-year solar cycle and seasonal effects, as well as because of new or changed frequencies of shortwave broadcasters around the globe. The Coordination Conference provides you and your organisation with a valuable opportunity to coordinate your frequencies directly with the frequency managers of other broadcasters and prevent interference occurring in your radio services. Therefore, we strongly suggest that you consider participating in this conference on behalf of your organisation.

For details, Please visit <https://www.abu.org.my/eventer/a20/>

We look forward to your participation in the Conference.

Best Regards,

Ahmed Nadeem
Director, Technology & Innovation
