NOTES

“Gross Operational expenditure” is the actual gross monies paid out in operating the broadcasting services (or business or organisation in case of Affiliate members), including all payments to external content providers, contractors and consultants but excluding capital expenditure on infrastructure and hardware.

Applicants for Associate membership whose operational expenditure is more than US\$46 million need only state: “More than US\$46 million”.

Applicants for Affiliate membership whose operational expenditure is more than US\$50 million need only state: “More than US\$50 million”.

If elected to ABU membership, we agree

- 1) to abide by the terms of the ABU Statutes and all other rules and regulations made from time to time by the ABU Administrative Council or the ABU General Assembly.
- 2) to settle fully and promptly all invoices from the ABU Secretariat for subscriptions and other payments due.
- 3) that membership will take effect after receipt of the first year's subscription by the ABU.
