

## Schedule of A22 Global Coordination

### 13 December 2021

[Registration for A22 global coordination](#) opens. We urge you to register at least one person from each FMO for coordination purposes. It will be necessary to register via this online form in order to upload your A22 requirements.

### 7 January 2022

Deadline for upload of A22 tentative data. Please, kindly upload your A22 schedules before the upload deadline, as old (B21/A21) data will NOT be automatically included in the A22 tentative schedule.

### 17 January 2022

1200 UTC

Opening Plenary meeting (Zoom invitation link will be sent to participants registered for A22 coordination, a recording of the meeting will be available on the A22 Coordination webpage.)

### 17 January to 4 February 2022

A22 Coordination

It is recommended that FMOs contact each other by email in the first instance. On-line bilateral meetings may then be arranged where required, at an agreed time and on a communication channel of their choice.

### 26 January 2022

1200 UTC

GoE meeting

### 3 February 2022

1200 UTC

Final Plenary meeting (Zoom invitation link will be sent to participants registered for A22 coordination, a recording of the meeting will be available on the A22 Coordination webpage.)

**4 February 2022**

End of A22 Coordination
