

Submission of programmes opens on 15th September 2022

T4P Media Awards highlight the crucial role of independent and ethical journalism, combined with Media Information and Literacy and critical thinking of citizens for peace-building and promoting understanding within and between countries. The Awards will honour innovative and creative Radio, TV and Digital Media content, which informs and educates audiences on best practices of building positive peace in three critical areas that have increasing urgency in achieving the Sustainable Development Goals and “building back better” from the COVID-19 pandemic:

- Transformative Education
- Humanity’s Relationship with Nature, including coping with climate change and biodiversity loss
- Living Well with Diversity, fostering human flourishing and intercultural understanding

The Jury of the T4P Media Awards consists of internationally recognized media professionals and practitioners in the field of peace – building. The Judging will be conducted online.

The winners of the 2021 T4P Media Awards will be announced during the 7th ABU Media Summit on Climate Action and Disaster Prevention, in February 2023 in Maldives.

Submission:
